

# Updates on NICE guideline 2021 and recent congresses for the management of atrial fibrillation

Thursday, 4 November 2021 | 20:00–21:00 HKT

Co-organized with

**Hong Kong College of Cardiology, The Hong Kong Stroke Society and Hong Kong Neurological Society** are co-organizing a virtual scientific meeting with Dr Derek Connolly

This presentation will feature:

- Sharing of 2021 NICE guideline updates on AF management and its implications to daily practice
- Critical appraisal of NOAC evidence from RCT to RWD
- Sharing of recent congress highlights and major trials that may transform clinical practice in the anticoagulation field
- Other practical aspects on stroke prevention in AF

## Derek Connolly

Consultant Interventional Cardiologist  
Birmingham City Hospital & Sandwell Hospital  
United Kingdom
